

## FIESTA BOXING CLASSIC INFO SHEET

Experience the inaugural Fiesta Boxing Classic, presented by [Mexican Fiesta](#) and powered by [RREAL Athletics](#), live at the Summerfest grounds August 22nd.

For more than 50 years, Mexican Fiesta has celebrated Mexican culture through live music, authentic cuisine, cultural entertainment, vendors, sporting events, and community traditions. Held annually on Milwaukee's downtown lakefront, the festival attracts more than 110,000 attendees over its three-day weekend, making it one of the largest Latino cultural festivals in the United States.

The Fiesta Boxing Classic brings the excitement of amateur boxing to the heart of the festival, showcasing the sport's deep roots within Mexican culture. The boxing event will be located next to the car show area, and your ticket grants access to the entire Mexican Fiesta grounds and all festival activities—not just the boxing event.
